

Dojo Kun (Dojo Oath)

This Dojo Kun was hand painted by Sensei Hiromi Suzuki of Sweden circa 1975, he brushed it for Sensei George Andrews and it had pride of place in the Marble Factory Dojo. Sadly it was badly water and smoke damaged in the fire that destroyed the dojo. Sensei Andy Barker has restored it to it's former glory and he presented a new copy of it to Sensei George during a visit to his Sheffield Dojo in October.
